

COP 6556 - Homework Assignment #1
10 points, Feb 1 (Tuesday)

Problem 1 (6 points) Give a semantics in the same style but for expressions that evaluate to strings.

- (1) Choose your own basic operations on strings,
- (2) Define expressions based on them,
- (3) Define the evaluation of expressions in the style discussed in the class.

Problem 2 (4 points) Exercise 3.5 on Page 30

Note: Answers need to be typed.
